

Kadesha Carroll

Vibrant, Passionate, Loving, Ambitious, Charismatic, and Go Getter are just a few words that describe Kadesha Carroll. She was born to encourage and inspire others to walk in their purpose!

Kadesha attained her Bachelor of Arts degree in Spanish from Spelman College and went on to receive her Master's Degree in Business Administration from Clark Atlanta University. Following graduate school, she worked in Corporate Marketing at Sony Electronics in San Diego, CA. After feeling a nudge from the Holy Spirit, Kadesha quit her full time position to become the owner of Charisma Events & Consulting, a Wedding & Event Planning company. It was during that entrepreneurial journey, Kadesha realized that God had not only called her to minister to women before marriage, but to also empower them to Live On Purpose. While Charisma Events & Consulting still operates, Kadesha spends most of her time with tasks related to her business Live on Purpose, LLC – speaking, teaching, coaching and helping individuals/organizations connect to their *why* and helping them live and operate productively.

Kadesha is the author of Live on Purpose Devotional Journal and co-author of Wisdom on the Wall. She has been a speaker at several conferences around the US speaking on topics of purpose, faith, entrepreneurship, and marketing.

Kadesha enjoys long walks in the park, eating french fries (undoing the walk!) and road trips with her best friend and husband of 7 years – Mr. Michael Carroll. The two of them currently reside in Newark, DE. She also loves traveling, sitting at the beach, and a good *ol* dance reality show!
